

Prayer Song 1

Having been involved in intercession for many years, read most of the books, and followed many of the programmes, I found it impossible to fit in to the generally accepted patterns of prayer. At one point frustration almost caused me to give up. God in His mercy intervened, and showed me that there was a place of rest for me where the voices of the world were hushed.

He led me to rest by waters so still and deep that my soul was satisfied, and I no longer paid lip service to things my heart did not recognise. This was the place where He alone would teach me. Intercessors are those called by God into a particular ministry that is a life time call and a lifestyle. The call is to come into an intimate place where the voice of God sings in our hearts. Out of this understanding a desire was born to reach out to other intercessors in joy and fellowship. To further this during the autumn of 2012 I began to publish a web site: www.intercessor2intercessor.co.uk The Front Page is changed frequently. This book is a compilation based on past Front Pages. Some of the events mentioned go back to 2012/2013 and so are not exactly current, however the principles of God do not change. The chapters are small bites, it is not designed to be read at a sitting but to be browsed at will. I pray that all who read it, whether having previously visited the web site or not, will be blessed in sharing these moments with me. If you want to contact me you can do so via the web site. Ann Allfrey.
