

Are You Ready To Incorporate?: Saving Time & Money Through Sound Business Tactics (Socrates Answers)

The myth: Everyone knows that only big companies and rich people with lawyers incorporate! The facts: The reality is that there are a variety of ways to incorporate which match whatever business or venture you are engaged in and incorporation is available to everyone who wants financial security and tax savings. In this remarkable and comprehensive book, the Editors of Socrates provide everything you need to know about incorporation in a single volume dedicated to clarity, easy access to information, helpful hints, practical interview with experts and design principles to make information gathering simple and enjoyable. No other contemporary book contains so much including the invaluable free CD provided with each book in which glossaries of terms, forms, checklists, special reports, interviews, discussion and more are provided. Readers can go to a special web page at socrates.com where quarterly updates on incorporation are provided free of charge all this for the price of a simple book. * The smart entrepreneur will learn quickly that incorporation is the KEY to financial success and asset protection. Everything you need is in this book! * A complete state-by-state listing of requirements for incorporation and LLCs is on the CD-ROM in each book. * Use the handy web landing page to keep current about your business and incorporation. It is free for all book buyers.
