

Working Mommy: The truth about working outside of the home from a mommy who does it

With a bit of humor and a whole lot of honesty, this book offers grounds for women to relate to one another based on the fact that they work and have a family. The author, a working mother of four young children, offers insight into how she has managed to survive working full time both inside and outside of the home. A light read that will make you laugh, this book is perfect for anyone who has ever struggled being a working mommy.
