

The ABCs of Intuition & Spiritual Growth

The ABCs of Intuition & Spiritual Growth speaks of transforming ones life with positive thinking, right attitude and understanding energy, vibration and the use of the Creators light. The book was inspired by the angels and ascended beings who watch over us and everyone reading it will receive a blessing and/or healing. Beginners on a path of self-mastery and enlightenment, as well as, seasoned spiritual/metaphysical aficionados will find something that will appeal. The words are kind, uplifting, empowering, with an occasional touch of humor. The visualizations and meditations in the book are guaranteed to transform the individual, if practiced regularly and with intention.
