

Ocean Inspirations: Thoughts upon the Water

In Ocean Inspirations author Dwainia Tullis presents the opportunity for deep introspection and inspires you to develop a better awareness of yourself. Filled with inspirational poems and photographs to guide you along life's pathway, this collection addresses a variety of themes and messages including openness, change, peace, loneliness, awareness, the power of God, and the importance of minding your thoughts. In *Along the Pathway*, Tullis writes, *Along the pathway be mindful of your thoughts. / As we walk, we think. / Our thoughts guide our steps, / the steps along the pathway. / Be mindful for there are stones, / loose stones we may not see. / Be mindful you don't slip and fall. / Guard your thoughts like precious / jewels, for precious jewels they are. / Through words and images, Ocean Inspirations will help you discover that tender part of yourself where you can grow and blossom in the journey of your life.*
