

If you want to know God better, there is no substitute for knowing what the Bible has to say. But reading the Bible can seem daunting. It was written in a distant time and culture, so getting to grips with the story inside can be a real challenge. 'HIS STORY' is series of books in docudrama which tell God's own story out of the Bible. The richness of the whole picture, written in everyday language will give you an ideal summary and an introduction to the Bible. The chapters are referenced, so you can also read it side by side with the Bible, as a handbook to help you follow the story. 'Why?' covers the all events in the book of Job. The story of Job may almost seem to be an aside to the rest of the Bible, but what it has to say is deeply relevant to the message of the whole Bible
