

Watching Jenny (Bookstrand Publishing Romance)

[BookStrand Contemporary Romance] Known as Blade with wild pink hair, tattoos and piercings, rocker Jenny McGregor works to keep her life private. But her self-constructed barriers are breached after she receives flowers and threatening notes signed by Runner. Desperate to stop the threat before she goes on tour, Jenny hires hunky Detective Dan Janson for protection. Unable to catch the stalker before the tour bus leaves, Dan is forced to stifle his attraction to Jenny. As they are carried along on a dangerous game of cat and mouse from San Diego to Memphis, the two draw closer together each day. When Runner lures Jenny away from the tour, Dan is forced to acknowledge he has fallen for the feisty singer. While hot on Jennys trail, Dan soon learns Runner is not one of the usual suspects. ** A BookStrand Mainstream Romance
