

# Ayurveda to the Rescue - An Ancient Remedy for Modern Ailments

We are the microcosmic reflection of the macrocosmic universe. Just as a seed carries within it a blueprint for its own replication, we carry cosmic answers within us about our own potential. A centuries-old collection of wisdom, Ayurveda seeks to turn our attention to our inner intelligence for a total health solution comprising strength in the body, clarity in the mind, and freedom of the spirit. This is Ayurveda for the modern world: a simple, clear and meticulously accurate science, philosophy and spirituality all blended into one. It is time to get back to the basics of living life aligned with nature. By using Ayurveda's simple methods, we can take our total well being into our own hands.
