Marriages happen every day around the globe similar to ours, but somehow, somewhere, something goes wrong. Do we fully understand what marriage is? Do we, as a society, fully appreciate the covenant that exists between a man and a woman? Do we also fully appreciate God's role and place within this sacred union? I know I didn't. Do you feel fulfilled in your marriage? Are you glorifying God through your matrimony? As marriage goes, so goes society. Generations succeed and fail by the success of marriage. So how will you impact your generation? No one ever said marriage is easy, and author Donnie VanCuren has created a helpful guide for navigating the tumultuous waters of marriage.
