

# Breaking Bread Together: Families Growing in the Practice of Eucharist

Breaking Bread Together is a resource for families with elementary school-aged children which establishes the connections between the biblical stories of Jesus and our celebrations of the Eucharist. Because the home is the most important venue for Christian education, this book was designed to become a part of a child's daily reading repertoire, and serve as a launching pad for conversation between child and parent on the love that God has for us all, and which is supremely evident in the Eucharist.
