

Many marriages, homes, and churches have been divided because of offense. Sadly, this cycle continues because the offended person rarely realizes that they are the problem. Jesus said in Matthew 18:7 that offenses will come. The issue is not whether or not offenses will come, but how we handle them. To hold on to an offense brings unforgiveness, pain, division, and destruction. Releasing the offense and letting it go will bring peace and unity. Gods plan for the believer is to live offense-free.
