

The SIN and DANGER of self love, the original sermon from Plymouth, New England in 1621 (Illustrated)

One reads the history of the early settlers of Plymouth, New England, and know the story of their treacherous journey on the Mayflower, and then the initial obstacles and difficulties settling in a new and harsh environment. We know that their strict religious values earned them the name puritans, but what was a Sunday morning at church in these days really like? This book provides the answer in an original sermon from 1621 from the Reverend Robert Cushman, an Englishman who left England due to religious conflicts combined with a practical desire to start a plantation. A fascinating first hand glimpse into a period of history that shaped a nation.
