

Caged Rivalry (Commander Kellie and the Superkids Adventures #5)

Superkid Missy Ashton and NME agent Mashela Knavery have only one thing in common—they're both messing up Missy's life. And Paul, Missy's covenant brother, seems to care more about spending time with the captured NME agent than he does with her. Then when Mashela escapes, it's a no-holds-barred race to the end...and to a final confrontation that may have Missy in deeper than she bargained. Will Missy put up with the trouble Mashela is causing? Will Paul be deceived by the NME agent? Will Mashela destroy the relationship between the two Superkids? Only a right heart before God and a good dose of His power will help Missy get straightened out! Prepare for an adventure to the end when two rivals compete in this page-turning adventure! Recommended for ages 10-12
