

Cathy: Encounters with the Holy Spirit (Buddy Book 2)

ITS CLOSING TIME... The Tribulation is here NOW. God is coming back for His Church But before He does, Earl and Joyce have a special mission to complete. The Church Age is about to end, bringing the world to the fearfully-anticipated Seventieth Week of Daniel, the final seven-year period spoken of by the prophet Daniel in Chapter Nine of his book in the Bible. Daniels Seventieth Week dovetails with Jesus description of the Time of the End in Matthew 24 and His yet more detailed description of the Great Tribulation and its awesome terrors in His Revelation to John. Earl and Joyce have found and treasured their second chance for love as told in the prequel Buddy. Now they find themselves in the midst of the transition from the Church Age to the restoration of Israel as the apple of Gods eye, put on hold at the Pentecost following Jesus resurrection. Israel might find itself in Gods favor, but first she has to survive, because its also the time of Jacobs Trouble as spoken of in the thirtieth chapter of the prophet Jeremiah. But God through Jeremiah also promised to save Israel out of her woes and, like the words of the prophet Zechariah who said that salvation would come to all of Israel, told her that He would be their God forever. God can do this by Himself, but thats not the way He works. Instead He is choosing a few very special and courageous people out of His Church to endure the worst of the Tribulation while they help with the restoration of Israel. Earl and Joyce are among these key people, and their mission will bring danger and pain to their doorstep as an increasingly dictatorial and self-serving society attempts to thwart Gods plans.
