

Sail Away Calypso Bay

Sixth in the Beau Donahue series of Thriller Romance novels, *Sail Away Calypso Bay* offers more thrills than ever before with the Donahue team. Based on the island of Martinique, the Donahues are visiting with some old friends when they learn of a mysterious situation with missing children that leads them to uncover an amazing plot. This novel spins thrills and chills through the Rainforests of Martinique and the Caribbean sea. A fast paced polo match has its thrills and spills and the ending twist of the romantic match craft that Beau Donahue is so noted for, will leave the readers stunned. A cant put down read. This one far outdoes them all so far.
