

Christopher Lee and Bozzie Bear

The first day of school is a big day! Going to school means meeting new people, making new friends, and learning fun and interesting new things. Christopher Lee is a little nervous about going on the big yellow bus to a school he's never seen before. But he knows he'll be fine because he has his friend Bozzie Bear to keep him company. Follow Christopher and Bozzie to school, and share their first day. You'll find out that it's okay to be a little nervous when you're trying new things - but new fun and friends make it all worthwhile.
