

When Only One Converts

By Lynn Nordhagen *What happens when the two most important relationships in your life seem to be on a collision course? *How can you be obedient to God when obedience threatens your marriage vows? *Can you love God if it means hurting the one you love most on earth? Many couples have walked this path. Fifteen of them share their stories in When Only One Converts. Author Lynn Nordhagen offers stories, not only to the Catholic (or soon-to-be Catholic), but also to the spouses who are not becoming Catholic, praying that they may gain insight and hope, recognizing that this can be, for them also, a time of discovery and growth in the Christian life.
