

Saint Matthews Journal: 40 Days of Christs Resurrection

Many books written about Jesus Christ concern His crucifixion; this novel deals mostly with His ministry during the 40 day resurrection period. The disciple Matthew writes of the triumphant Christ and His interaction with the world, as He returns from the grave to an unbelieving discipleship and others who refuse to acknowledge that he has risen from the dead. Join Jesus as He continues His ministry throughout Israel and elsewhere, performing great miracles, and revealing His transformed body for all to see. Lastly, experience Jesus in all of His glory as He completes His earthly mission and ascends into the heavens to be with the Father.
