

Read With Me (Daily Readings)

Read with Me takes the stories and teachings of the Bible from the beginning of the Old Testament through to the end of the New, explaining them in simple, direct language. These devotions are ideal for reading to children - each one bringing out truths and questions, answers and lessons - and will bring your family closer to God. Each reading is divided up into four sections: -Gods Word - gives you short passages of scripture to read together. Extra Info - teaches interesting facts about God, the Bible, and the world. By Myself - allows young and developing readers to tackle a sentence or two. Ask about it - asks questions that are easily answered from the readings. For older family members there is also an additional feature where, throughout the book, introductions are given to those Old and New Testament books that are featured. These give useful information for older children - or for adults to read alongside the family devotions. This book is simple effective way to encourage your family to come together and spend time in a daily walk with God through his word. Read to Me: 5-7
