

Once Upon A Chocolate Kiss (Mills & Boon Love Inspired) (Hill Creek, Texas, Book 4)

When candy shop owner Samantha Hampton nursed an injured stranger and invited him into her home, she thought she was being a Good Samaritan after all, it was the least she could do after breaking his foot. Richard Moore's charm put her at ease and made her heart pound. But Samantha didn't know that she was aiding the enemy! Richard Moore had no more control over his attraction to Samantha than he did the fact that his family's confectionary chain would put Samantha's small shop out of business. Despite being her competition, Richard had no intention of breaking her heart. Would Samantha forgive him when she learned the truth of his identity?
