

Eclipse

Sometimes the glory can be concealed or hidden for a certain length of time. Each generation is supposed to surpass the previous generation. With the promise of restoration, prosperity, and revival the latter should be greater than the former. The promise of the spiritual outpouring and increased knowledge will cause this generation to exceed other generations. Eclipse was inspired by the Word of GOD and is a disclosure of divine truth about various topics. Each reader will find new insights to go beyond the norm and be taken on a journey into new territory. Each believer will walk in a new level of authority.
