

## Escaping Domestic Abuse: How Women Get Out and Stay Out

In this revealing book, you will meet courageous women who broke away from abusive relationships to escape the agonizing pain and find lasting peace. You, too, will: Recognize the signs of abuse. Conquer timidity and helpless dependency. Protect your children from experiencing abuse and perpetuating it. Destroy the controlling power of an abuser. Develop the strength to start over. Heal your emotional and physical scars. Defeat the fear of being alone. Enjoy healthy relationships. Physical battery is the number one cause of injuries among women—more than automobile accidents, rapes, and muggings combined. Are you one of the women who are being abused? You can get out and stay out!
