

Family First: Winning the Parenting Game

Deloris Jordan knows a thing or two about being a mom. She is the mother of five high-achieving children - Ronald, Deloris, Larry, Michael, and Roslyn - a sought-after national speaker on the family, and the volunteer president of the Michael Jordan Foundation. Her galvanizing message on encouraging responsibility and a passion for excellence has inspired parents across the country. Being the mother of basketball's greatest player has given Deloris Jordan a platform, but it's her experience bringing up an accomplished family in a challenging environment, along with her deep commitment to church and community, that gave her the expertise she passes on in this invaluable handbook for parents of children of all ages. Using warm anecdotes and never-before-told family stories, Jordan paints a realistic and uplifting portrait of the potential power of parents. She explores the universal goals that parents set for their children - self-discipline, responsibility, perseverance, moral values, and the desire to achieve - and explains the practical tools and strategies the Jordan family uses to realize those goals. And through personal examples and wise, plainspoken insight, Deloris Jordan challenges, guides, and encourages parents who long to do everything they can to help their children learn, grow, prosper, and succeed.
