

## Battle of Beings: War Child

A boy buried alive in the demon-riddled jungles of the Congo. An army of kidnapped children trained by a warlord to kill or be killed. A dauntless surfer who wins the lottery and the girl who is stealing his heart. All pawns in a greater game. Sent to bring them together is Taffin, a warrior angel and dragon rider. Beings and mortals become embroiled in a battle as old as time that reaches the heights of heaven, the depths of hell and the corners of your soul. The Battle of Beings a war you cant ignore.
