

## Getting to Know God and His Word Study Guide

This Getting to Know God and His Word Study Guide is part of The Chamber of Life Series: Building Foundations Growing in Faith. Do you want to know God better? This class, previously titled The Nature of God, helps you understand who God is. Lessons include: Knowing the Master Builder, Gods Trustworthy Word, God as Our Personal Father, The Amazing Attributes of God, Jesus the Messiah has Come, and more. Your perspective of yourself will change as you view God correctly. You can imitate who He is once you know His true characteristics! The overcoming supernatural life is yours by discovering who God is and the authority the scriptures have in your very own life. This study guide is great for individual study in your own home, with a small group, or in a classroom setting. It also serves as part of the core curriculum for a course by the same title in the God Encounters Training - eSchool of the Heart (visit [www.GETeSchool.com](http://www.GETeSchool.com) for more info). At the end of each detailed lesson are simple questions for your reflection and review. As you work through these lessons and put them into practice, you will discover the joy of knowing your heavenly Father and being transformed into His image.
