

The G.O.A.L.S Principle

G.O.A.L.S Principle is an 84-page book that promotes Christian Values at home, School and the Workplace- shows how these Values are developed and how they influence our goals, daily choices and decisions to lead lives pleasing to God, just like Jesus Christ did. The author educates you on your divine purpose and inspires you to rise above your personal challenges and impact your immediate environment and beyond. The release of this book is long overdue. The need for every new convert that joins the local Church to have a copy cannot be overemphasized. It should also be a helpful resource material for schools and all stakeholder institutions in personal and spiritual development of young people. Parents especially, should have copies of this tool in their tool boxes because they have the fundamental and awesome responsibility to ensure that their children grow up in the knowledge and fear of God to come into the fullness of the image and likeness of Jesus Christ, the Son of God. Prov. 22:6. Something extra: lyrics of ten of my worship songs have been included in the book. To get the tunes or videos, search for JESSE BOOKS & MUSIC MINISTRY on Youtube.com.
