

Thirty - One Inspirational Power Capsules: Daily Devotional That Will Rework Your Life And Change Your Destiny

This book was born out of a desire to present a reading material that addresses core issues of life in a concise and easy-to-read manner, to every individual. It contains a rich diversity of topics covering various aspects of life and offers deep insights into living, Gods way. It has been divided into a 31-day reading format and has practical action points for you to act on as you go about your days work. It is a good quick resource on what to do in perplexing situations, how to handle lifes challenges and what God desires of us as Christians in an ever changing world. It can be used as a study guide for individual and group study. It can also be used as a catalyst to stimulate your thought and help you find solutions to life challenges. Teachers, pastors, preachers and parents will find it an inspirational guide to strengthen them in preparing their speeches and sermons. It will also aid in a better understanding of scriptures and help you to apply the sacred writings to your everyday life. I want to encourage you to make out time each day to study and digest the nuggets. Following and implementing the action steps suggested will go a long way to making you a total man and effective in all you do. I suggest you read it every day in a cycle of 31 days in a month and continue each month of any given year till you master its contents. Like Paul told Timothy, Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth (2 Timothy 2:15). I believe you will have a refreshing experience reading through this book and will be empowered to live, as you ought to.
