

# Growing Godly Women: A Christian Womans Guide to Mentoring Teenage Girls

Growing Godly Women is a blueprint for making a vital difference in a girls life through a mentoring relationship, providing her with crucial support and wisdom during her complex teen years. Stories, Scriptures, and biblical principles illustrate to Christian women how to comfort a teen and mentor her toward Gods plan. Chapters cover the qualities that make a good mentor, what makes girls tick, how to study the Bible with a teen girl, lessons for inner and outer beauty, and creating ties that bind.
