

Heaven on Earth: Releasing the Power of the Kingdom through You

You can and should CHANGE THE WORLD! Don't like the world you live in? Then change it! For too many years within evangelical Christianity, there has been no expectation of a visible manifestation of the Kingdom of God on earth. It was thought that, if I believe, that is enough. But for many that is not enough! Our primary job on earth is to work together with the Holy Spirit to advance the Kingdom of God here and now to experience Heaven on earth. You can see your world changed from worldly to godly! You can release the power and love of God into a world in desperate need! You can change your world when you allow the Holy Spirit to release the power of God through you! Step out of Christian fatalism into the power and authority given to all children of God.
