

Hosea & Amos- Everymans Bible Commentary (Everymans Bible Commentaries)

God used Hosea and Amos--one right after the other--to announce to the Northern Kingdom (Israel) that Gods patience had at last ended and that the hour of decision had arrived. These prophets challenged Israelto repent now or face Gods immediate judgment and endure pitiless conquest and plundering at the hands of themerciless Assyrians.Both prophecies end withthe assurance of Gods abiding love forHis people and His absolute pledge of their cleansing and restoration.Two biblical scholars encouragestudents to understand and be challenged by these biblical events that so closely parallel those ofour own times. Their simple, organized commentary will prove valuable to students at any level, individually or in a group.
