

How To Thrive In The Last Days: Biblical Strategies for Protection and Abundance in Troubled Times

Today's ever-present threats of terrorist attacks, cataclysmic storms, upheaval in worldwide financial and commodities markets, and threats to the State of Israel have sparked renewed predictions that we are living in the end of time. Many live in fear of not having enough or losing everything when end-time prophecies come to pass. God's people need not live in a state of paralysis, wondering how they can survive uncertainty and upheaval. *How to Thrive in the Last Days* will show you ways of finding hope and safety in God's promises. You will learn practical and biblical ways to protect your finances and experience abundance in times of scarcity. You will learn that money is only one of many signs of wealth, and that we serve a God of limitless abundance and provision. AMONG ITS MANY LESSONS REGARDING WEALTH ARE: The need to combine hard work with biblical insights. Why you should save a percentage of your income instead of spending it all. The wisdom of living beneath your means. The principle of being a blessing to others, not just a channel of receiving.
