

Adversity: But Theres Hope Ahead

Is everything that happens really Gods will? All of us face adversity and usually wonder, How am I supposed to handle this? Some Christians think that, because they are children of the Sovereign King, God should remove it immediately. Others live in a deep sense of Christian fatalism, the belief that everything that happens is Gods will, and any form of adversity faced is God-ordained for teaching and strengthening . . . when in fact, the acceptance of adversity actually serves to perpetuate it. Using practical terms and application, Adversity: But Theres Hope Ahead tackles this by addressing:the components of Gods original plan vs. Christian fatalismthe types of adversities that existbiblically based responses to each type of adversity.Unlock the true remedies available to all believers and release your adversities - its time to live in the wonder and awe of Gods Kingdom!
