

Breaking Free: To Live the Promise of Abundant Life

Meeting your deepest needs Learn how you can successfully operate a prayer ministry by confronting demonic strongholds and delivering oppressed people in Jesus name. What happens when a nuclear engineer, who grew up viewing and working the world through the lens of logic, is confronted with the supernatural power of God that healed his daughter of an incurable disease? This remarkable event led author Tom Hauser to surrender his life to Jesus and to ultimately pursue a life in ministry. His experiences as a Vineyard pastor and short-term missionary with Randy Clarks Global Awakening ministry have equipped him in a deliverance ministry that has set many captives free from suffering, abuse, bondage, and demonic strongholds. Therefore if the Son makes you free, you shall be free indeed (John 8:36). Healing and deliverance are part of the price your Savior paid for you its time to walk in the fullness and authority He has given all His children. Breaking Free shares real-life, modern-day testimonies and sound biblical teaching about effective prayer ministry. It is a detailed training book that includes easy-to-understand and apply principles, and a detailed Appendix full of Scripture, prayers, and other ministry supplemental materials to aid you in becoming a life-changer today!
