

Not Human Enough (The Amsel Clan Book 2)

Jake Reinbach is the son of vampires. He is also a high-school senior, hoping to live as normal a life as possible within the human world, but his bright purple eyes and vampire parents make him an outcast. When falsely accused of threatening a classmate, Jake is forced to withdraw from school, and back into the clan in which he was raised. He is devastated, but a young human comes to his door one evening with a startling confession. Will Hayden is secretly attracted to Jake, and is bereft when the young vampire leaves public school. Fascinated with immortals, Will unfortunately lives in a household where hatred of vampires is part of the daily diet. He realizes his father is entangled in a conspiracy against the vampires, and he goes to Jake's family and tells them of his suspicions. When he then confesses his feelings toward Jake, he sets in motion a series of events that will change his life and Jake's forever.
