

The Sons of Zebedee: A Biography of the Apostle James and John

They are known as the Sons of Thunder; they are perhaps the best known brothers who ever lived; collectively, they converted more people to the gospel than few others. There are, of course, accounts of the brothers in the Bible, but they tell us little about who they actually were. This book investigates the historical evidence out there and gives a rare glimpse into the lives of the famous brothers. LifeCaps is an imprint of BookCaps Study Guides.
