

Letters from a Friend: Steps to Loosen the Grip of Religion and Find Gods Open Hand

Statements like The church is full of hypocrites! and Sin is fun! often block the path to true contentment and peace in God. Roy tackles some of the tough rationalizations that people have for abandoning the Christian faith that they were taught. In an equally honest treatment, he also calls the church to task for its failure to nurture and train disciples. The Letters segment of this book is a collection of letters that Roy wrote to actual college-age young adults, answering their questions and defying common excuses for not accepting Christianity. The Meat and Potatoes section is a thorough, practical method for developing and maintaining the daily disciplines of the Christian faith. Mr. Harvey demystifies the concepts of prayer life and Bible study, and gives wisdom and direction on how to be plugged into a church. Whether you are plagued by doubts, questions, and excuses or just dont seem to be growing in your faith, let Letters from a Friend inspire you to get off the sidelines, get back in the game, and renew your passion to walk out your faith one day at a time.
