

## 31 Devotions on Faith (Devotions for Life Book 5)

This is part 5 of the Devotions of Life series. Faith is believing in things unseen. Without faith, there is no Christianity as we cannot see God nor were we alive when Jesus walked the earth. This does not mean that we have a completely blind faith.

We see Gods works all around us and therefore we have reason for our faith. This set of devotions looks at the subject of faith and takes a deeper look at some of the reasons that we have faith in God to begin with.
