

Making Great Decisions Workbook: For a Life Without Limits

T.D. Jakes offers readers of the New York Times bestseller *Before You Do*, now retitled *Making Great Decisions: For a Life Without Limits*, a collection of Scripture and quotes that provides the spiritual underpinnings of his message about applying Christian principles to making important choices that you'll be proud of for the rest of your life. *Before You Do*, the narrative book, uses wisdom collected from more than thirty years of Jakes's experience counseling and working with high-profile and everyday people through his ministry and numerous appearances on national television and radio. Relationship decisions come down to five crucial components, according to Bishop Jakes: Research: gathering information and collecting data Roadwork: removing obstacles and clearing the path Rewards: listing choices and imagining their consequences Revelation: narrowing your options and making your selection Rearview: looking back and adjusting as necessary to stay on course *Making Great Decisions Reflections* collects the words that ground *Before You Do* in biblical teachings, making this book an essential keepsake, to carry with you in moments when inspiration and encouragement are needed.
