

# Blueprints for a Solid Marriage: Build/Repair/Remodel (Focus on the Family Book)

Blueprints for a Solid Marriage is a practical book with simple tools to assess your marriage: Is the foundation solid? Is there a room that needs repair? Maybe there's an area that could use a remodel or just some cleaning up to revitalize the relationship. While focusing on the basics, the book contains a lot of wisdom and practical applications that make this an easy-to-use resource for couples. The book also includes an assessment tool that can be used in a variety of situations to help couples form the foundation of a new marriage or to improve a struggling marriage.
