

We are a supernatural people. Made in the image of God and called to follow a risen Lord through the world God made--were anything but normal. Given all that, it should not be surprising to us when miraculous things happen in our midst. Still, many of us are intimidated at the thought of it, and we stop short of trying so we wont disappoint God with our lack of faith, or--if were being honest--so we wont be disappointed when God fails to deliver. In *Miracle Work*, Jordan Seng tells remarkable stories of physical healings and prophetic messages. With good-humored and seasoned wisdom, he explains how to develop in Gods supernatural power for such miracles and provides deeply practical guidance for how to go about doing them. More than that, he makes us understand why God has set things up in the way he has. We learn not just how to do supernatural ministries, but why we must be supernatural people. Read *Miracle Work* for a better understanding of what it means to be agents of grace, healing and even miracles in a world that desperately needs the good news of God's loving, healing touch. The book includes an appendix with tips for pastors and a study guide that makes it easy for small group investigation. *Miracle Work* was published by InterVarsity Press and is available in both paperback and Kindle versions.
