

Miracles in the Peten: Spiritual Warfare on the Mission Field

Do you long to see the miracles of Jesus happen today? Nancy Henson has seen many such miracles in the villages of the Peten in northern Guatemala. Through her work as a medical missionary, she has witnessed miraculous healings, divine intervention, even someone close to her being raised from the dead. Because of her efforts to bring the light of Jesus to this ancient region of Mayandom, she has also come up against Satanic powers and principalities in the spiritual realm. She has waged war against them in her quest to reclaim the heart of the Mayan for Jesus Christ.
