

MISSIONARY KIDS IN SPACE

Way in the future, a group of greedy miners purchase a far away treasure planet from the Galactic Christian Scouting League for a low price. There's a catch. To get full ownership of the planet, they must host a missionary. Their chosen missionary has failed in all his missions. He's trying one last time. Will he get the miners to turn from treasure to God? The missionary brings his three kids. And it's a good thing, too! The kids make a wonderful and frightening discovery that changes everything. But, oh, the trouble they get into!
