

Safe From Harm (A Sugar Land Mystery)

In a new mystery featuring Texas minister Walker Bear Wells, a teen tragedy hits too close to home. The ominous text message Bear Wells received from his teenage daughter Jo simply said: Come home. The Texas minister never imagined he'd rush back to find her cradling the dead body of her estranged friend Phoebe. While the death rocks Sugar Land, the apparent suicide seems like an open-and-shut case. But nothing is settled in the Wells household, especially for Jo. The deeper she digs into Phoebe's life, the more she realizes nobody knew her at all. Bear found it hard enough dealing with Phoebe's skimpy Goth outfits, painful-looking piercings, and the outrageous scandals she brought to his idyllic Sugar Land congregation, but now it's his daughter who's acting out. Jo knows Phoebe caused major problems between her picture-perfect father and stepmom, but she has no idea what's at stake or whose lives are in jeopardy. Bear is painfully aware that his last private investigation resulted in a bullet wound, so when Jo sneaks out alone to confront her primary suspect, he's not only praying that he'll find her in time, he's asking forgiveness for what he may have to do to save her.
