

The Book of the Wars of the Lord

<http://thebookofthewarsofthelord.weebly.com> In early 2002, Derek Shaver, an unassuming factory worker, was visited by a strange and silent angel of the Lord. This angel, with the help of a young gospel singer armed with the Word of God some weeks before, delivered this emotionally scarred shadow of a one time pint-sized preacher from the evil spirits that haunted him. With the looming darkness of his backsliding into drugs, alcohol and the occult now lifted, the blinding light of God could once again shine down. And shine it did, through the person of the Holy Spirit. Shortly before and soon after the angelic visitation, Derek began to receive revelations in the form of dreams, visions and messages from God that some might say are as peculiar as the man. This is his testimony and written record of the events and those revelations. A testimony of the Deliverance, the Salvation and the Power of Jesus Christ and His Revelation.
