

Parables

From the medieval land of Concordia with its benevolent king to the modern metropolis of Major City with its superheroes, from a village in Asia long ago to a guitar shop in a small town near you, five fictitious short stories teach true lessons about love, forgiveness, stewardship, belonging, and redemption. In prose and in verse, with seriousness and with humor, timeless tales are adapted and new ones are introduced, and readers young and old are challenged to look for a deeper meaning wrapped inside each captivating narrative.
