

## From Vision to Reality

Gods call to ministry is an invitation to partner with Him. In From VISION to REALITY, we see Gods desire is to be an active participant in the Implementation of His vision to us. As servants of the King of kings, we are in the business of raising up people who can lead Christs Church and His mission in our congregation and into our community. FROM VISION TO REALITY was written to help believers navigate the challenging process of bringing that dream into reality. God is glorified when His partners complete their assignments in the midst of spiritual warfare, financial reversals, and unexpected roadblocks. Gods love is manifested to a hurting world and souls are added to His kingdom. God will touch His world as you navigate every obstacle and fulfill His vision for you! ESTELLE GROSS CYRUS is founder and Director of Right Way Ministries International Inc. (RWMII) in Baltimore, Maryland.
