

To Know Me January Volume 3: Love Letters from God

To Know Me is a series of daily Bible devotionals written in a love letter from God format. As I study the Word of God and meditate daily on His Word, I am filled with His Words of love to us. He is a loving God and wants us to know Him personally. These daily doses of God's love will help you tackle whatever the day may hold or help you unwind from what the day may have brought. This is a good medicine to realize how very loved we are by God, Our Creator, Who truly is in every detail of our lives! He created us for His glory. When you obey Him and dance the dance He created only for you, the experience will fill you with His love and peace on such a level that you can tackle any storm life throws at you. It rains on the just and the unjust, so obey God, live in His love and peace and be filled with the knowing that He is right by your side, His Spirit is in you, directing and guiding your steps. The Word of God says that He establishes our thoughts; it also says that we make our plans, but God orders our steps. Relax into knowing, God is in control. He will pilot your life, if you will let Him, and you will experience victory on every hand and peace in every storm. God bless you!
