

The Caloris Rim Project

The Caloris Rim Project opens ancient doors the kind best left alone that lead to distant and untouched vestiges of the Tower of Babel. Major Frank Rawdon's entire life is committed to defending his country and Earth, but something has invaded his very soul and that changes everything. Frank has become a pawn in a power struggle full of riddles, alien prophecy and forbidden ambition. For the first time in his life he doesn't know who to protect and who to battle. The year is 2250 A.D., and Frank stands on the brink of an interstellar war. What he discovers changes our galaxy's history, and future, forever. Major Rawdon is a soldier of uncommon skill and ability, fighting a battle inside himself that may destroy everything including the woman he loves. The Caloris Rim Project's secret that exposes the unstoppable future of the past.
