

On The Road To Victory

Insightful, Inspiring, & Instructive would appropriately describe this prolific and relatable writing by Donna Bruce. She has taken prayerful consideration finding relevant scriptures as she outlines her life story that both describe her trials, while illuminating her victories through Jesus Christ. Donna has tapped into the power of confession that will bring many to the saving grace of God through Jesus Christ. Her story brings to light personal struggles which many people are currently facing today, while providing biblically based solutions that will guide them toward a successful Christian life. I would recommend this book as a must read for any babe in Christ, regardless of their background and for anyone that has a heart for reaching the lost in this world at any cost. While soaking in the writers life experiences you will find yourself captivated by the graphic depictions of real life on the streets and most of all the redemptive and unfailing power of God.
