

The Gardeners Everyday Book - Containing Plain Instructions for the Cultivation of All Classes of Flowers, Fruits, and Vegetables and for the Practical Management of Every Department of Horticulture and Floriculture (Paperback) - Common

A wonderful guide for the keen amateur gardener. Full of tips and techniques to get the very best out of your garden or allotment. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
